

## DODGERS LEAD NATIONALS

Close Races in Major Baseball Leagues To Be Decided This Week.

After being forced into second place by Philadelphia, the present runners-up in the National League, the Brooklyn Dodgers regained first place by winning the game of yesterday's double header with Pat Moran's crew. Next week will definitely decide whether the Phillies or the Dodgers will represent the National League against Bill Carrigan's Red Sox in the world's series.

New York fans today, while joyful over Brooklyn's victory, are mourning the defeat of the Giants. "Muggsy" McGraw's boys, after piling up a record of twenty-six straight victories and smashing all modern records, were finally forced by "Miracle Man" Stallings to take the small end of an 8 to 3 score.

In the American League the pace-making Red Sox climbed one game nearer to the flag by downing the Yankees. While it is still possible for Carrigan's men to be forced into second place, it is improbable.

## ATHLETES NEEDED PASSPORTS

Photographs and Affidavits Demanded Before Sailing, Simpson Writes.

Word from Bob Simpson has been received by friends in Columbia, indicating that he encountered some difficulty in getting started on the last lap of his journey to the Stockholm games. He writes that the American representatives had some trouble in obtaining passports, which were not forthcoming until they had produced birth certificates and photographs and had submitted affidavits.

"If we get plugged by a 'sub,'" writes Bob, "Wilson will wear out all the typewriters in Washington to avenge our ghosts."

The American athletes will be given track suits bearing a shield emblematical of the United States.

## SPORT NEWS and COMMENT

Although "thrilling" is hardly a descriptive word appropriate for yesterday's Freshman-Varsity mixup, in which a total of twenty points was amassed by Coach Schulte's combined forces, there was an occasional flash of brilliant play that relieves to an infinitesimal degree the Missouri mentor's herculean task of moulding a creditable backfield to place behind the now-promising first line of Tiger defense. For Coach Miller's yearlings there is nothing but praise for their manner of combating the Tiger onslaughts for two of the four ten-minute quarters.

With the pick of the backfield candidates, under the direction of Stankowski, in one squad; and the best of the linemen in another, with Rutledge as quarterback, Schulte alternated the squads through regulation gridiron battle action. During the afternoon five eleveners showed their wares to 1,500 bleacherites.

To Haines, McMillan, Stankowski and the veteran linemen of the Schulte-Brewer machine is due whatever songs of praise that can be sung as a result of the first public appearance of the 1916 Tiger football eleven. Although Haines was plainly in the game to be worked hard in an effort to inject some gridiron fight into his previous listless play, and for that reason carried the ball much oftener than under ordinary conditions, his work was much better than expected by the critics. Stankowski gives promise of being the spectacular Tiger of the season. His open field running with the ball is not approached by any other Tiger thus far, and already the rooters have given indications of choosing him as their idol. Yesterday each time the diminutive Pole lugged the ball there was applause. Schulte's line prospects are: Captain Lansing, McAnaw, Van Dyne, Bass, Hamilton, Shy and Giltner, with Shannon and Slusher as substitutes. Although all of these men were not playing on the same squads yesterday, they will undoubtedly be the material from which the Varsity first-defense will come.

Groves Puts Over Season's First Score.  
To big "Snooze" Groves, last year's star tackle, now being groomed for a backfield position with the Tigers, belongs the honor of the first touchdown of the 1916 season. After a fifty-yard punt by Haines the Varsity took possession of the ball on the Freshman five-yard line after a fumble, and Groves carried it over through the line. But "Snooze's" period of heroic action was extremely brief. On the next play he started like the proverbial truck, horse, fumbled the ball, and got the gate by a word from Schulte. Later "Snooze" was sent in at his old tackle position.

The other touchdowns were made by Rutledge, who carried the ball over the Freshman goal line on a fumble, and by Stankowski who wormed his way through the Varsity defense, for the only score made against Schulte's veterans. McMillan and Peeples were successful in goals from touchdowns, while McAnaw failed at his chance.

Not much was accomplished in the way of forward passing by either Varsity or Freshmen athletes. The Varsity tried two, both of which were unsuccessful. One went true, a pass of twenty-five yards over the line of scrimmage from Haines to Giltner, but was called back by the referee. One of the pair of passes tried by the Freshmen was successful, Ligon, Freshman end, caught Slusher asleep and stealing out near the sidelines took a pass of twenty yards from Porter. It was the only first down made by the yearlings during their part of the afternoon's service on the field.

## "Cap" Lansing and "Ham" Are Fighting It Out.

The struggle for supremacy on the pivot position in the line continues between Captain Lansing and "Skidif" Hamilton. After nearly a season's confinement in the field hospital last year, Captain Lansing returned to active service this fall to find that the youngster who substituted at center during his absence was not to be deprived of his berth without a fight. Hamilton is the heavier of the two and from present indications both are equally capable of holding down the passing job. Whether or not "Ham" can develop the "fight" accredited to the Tiger leader, remains to be seen.

Henry F. ("Indian") Schulte although busy training his new stock of gridiron warriors hasn't forgotten that Missouri is also to have a track team next spring. Since the team has been made world famous by Bob Simpson there is a necessity of keeping up the standard of performances. A preliminary "warm up" was held yesterday morning with Schulte and William D. Powell, track captain of last year, watching the process. W. G. Clegg and William Sylvester, two sophomore aspirants, are beginning training, to fill the gap left in the last year's team in the vaulting event by the graduation of Captain Powell.

## Coach Wilbur Hutsell Comes to Town.

Wilbur Hutsell, former star quarter miler, cross-country captain and assistant track coach, who was graduated from the University in 1914 arrived in Columbia from St. Louis, yesterday, for a week-end stay.

Hutsell represented Missouri University on the track in 1912, '13, and '14. He was considered one of the best milers in the Valley during this time. He also engaged in cross-country work and during his fourth year at the school was captain of that team. In 1915 he assisted Coach Schulte in tutoring the Tiger track and field squad.

He was last spring appointed to the sponsorship of Missouri A. A. athletics and since taking that position has acquitted himself well. Before Hutsell was obtained the track athletics of that organization had fallen off greatly. Last month, the team won the championship of the Western A. A. U. district in a meet held in St. Louis. Following the meet, the Post Dispatch wrote as follows:

"The victory of the Missouri A. A. team over the Columbian A. C. may be directly attributed to Coach Wilbur Hutsell. The Cherry Diamond squad was a mere shadow of its former self before the ex-Tiger appeared, but must now be considered as the city's leading exponent of the outdoor games. Hutsell deserves praise."

## THE TENNIS TOURNAMENT RESULTS

## Sets New Motor Record.

By United Press.

SHEEPSHEAD, L. I., Sept. 30.—Johnny Aitken in a Peugeot car won the \$10,000 Astor cup this afternoon, breaking the world's record for 250 miles. His time was 2 hours, 23 minutes, 4.02 seconds. Rickenbacker, in a Maxwell, took second with a record of 2 hours, 24 minutes, 19.55 seconds. Ira Vail, driving a Hudson came in third with a record of 2 hours, 24 minutes, 51.34 seconds. Resta, the favorite in the big race, was eliminated early in the contest when his machine caught fire.

## ROUND OAK COMBINATION RANGE

## A MESSAGE TO HOUSEWIVES

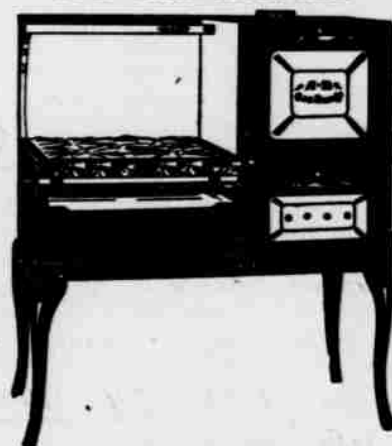

We have a range that will make pleasant the summers, and comfortable the winters spent in your kitchen.

This is made possible from the fact that it burns coal or gas in the same range without a change of parts.

Think of it—a cool, cheery kitchen in the summer, and a warm, cozy kitchen in the bleak cold winter, and all made possible by this one stove.

Its construction and advantages are so interesting that we are going to ask you to consider this a personal invitation to visit our store and ask for a demonstration.
